VERY GOOD TO EXCELLENT

DEETJEN'S BIG SUR RESTAURANT

Food	Decor	Service	Cost
22	21	21	\$40

Whether or not you bunk in the "rustic" rooms and cottages on the grounds, a "magical" meal of Californian fare at this "wonderfully atmospheric", "fairy-tale" inn with "rough-hewn wood walls and funky exterior" feels like a "slice of tranquility" - it's a "must during a Big Sur stay"; the "lovely" alfresco breakfasts and fireside dinners boasting "delicious, freshly picked local" ingredients and a "very well-chosen wine list", navigated by a "cheerful" staff, complete the "cozy", "romantic" picture; N.B. no lunch.
